"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—From the *Medico-Chirurgical Review*, No. 57, for July, 1838.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors shall be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 22D APRIL, 1839.**

Resolved.—That the exclusive right of imposing and modifying taxation upon trade being vested in the Government, it is expedient to declare that no Hucks or Customs on Trade, or alienated share of any item of Revenue, after the abolition or relinquishment thereof by Government, shall be levied after such time as the Governor in Council of Bombay shall issue orders prohibiting the levy thereof; and that all orders heretofore issued by the Governor in Council of Bombay to such effect shall not be questioned.

That it will be expedient to sanction such compensation to persons who have by usage enjoyed Hucks or Customs on trade as may appear to the Governor General in Council to be reasonable.

The following Draft of a proposed Act is accordingly published for general information.

ACT No. — of 1839.

I. It is hereby declared and enacted, that it shall be lawful for the Governor in Council of Bombay to issue orders prohibiting the levy of Hucks and fees of every description, and customs, whether by land of sea, enjoyed by holders of rent-free lands or other persons, and of alienated shares of any item of revenue after the abolition or relinquishment thereof by Government.

II. And it is hereby enacted, that the legality of any orders which may have been issued by the Governor in Council of Bombay for prohibiting the levy of any such Hucks, or fees, customs, or alienated shares of any such item of revenue as aforesaid, shall not be questioned in any Court of Law.

III. And it is hereby enacted, that whoever shall levy any such Huck, fee, customs, or item of revenue after any such order prohibiting the same as aforesaid shall have been published in the Government Gazette of the Presidency of Bombay, and by notice fixed at the post or place at which it has heretofore been claimed, or collected, shall be punishable as for an undue exaction under Regulation XVII of 1827, Sec. 16, of the Bombay Code, notwithstanding the offender be not a Revenue Officer of Government.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve : and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills ; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England ; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company ; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice or concurrence of any person who soever) at any period after default shall be made either in acceptance or payment of the Bills, also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography, and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—*From the Malacca-Chirurgical Review, No. 57, for July, 1838.*

X. And it is hereby enacted, that if payment of the aforesaid Assessment and Taxes be not duly made, the Officers appointed to collect the same shall certify in writing such non-payment to any Justice of the Peace, who, if he shall be satisfied that due diligence has been used to obtain payment, and that the same has been improperly withheld, shall issue his warrant for distraining the amount on any Goods and Chattels, to whomsoever belonging, in or upon the Dwelling Houses, and other buildings respectively charged, or for distraining any person charged by his Goods and Chattels, or both, and for selling every such distress; and the overplus, after deducting the expenses, shall be paid to the owner of the Goods and Chattels distrained.

XI. Provided always, that it shall be competent to the Officers appointed to collect the aforesaid Assessment and Taxes, in lieu of proceeding against defaulters by warrant of distress, to sue for the recovery of arrears through any Court of Justice to which defaulters may be amenable.

XII. Provided also, that if any party, from whom payment of the Assessment or Taxes leviable under this Act may have been demanded, objects to the demand, either on the ground of surcharge or by reason of claim to the exemption or abatement under any of the foregoing provisions, it shall be competent to such party, after payment of the amount demanded, to appeal against such demand to the Justices of the Peace sitting in General Quarter Sessions.

XIV. And it is hereby enacted, that as soon after the 1st day of January in each year as may be found practicable, the Officer collecting the Assessment and Taxes under this Act at each of the three Stations of Prince of Wales' Island, Singapore, and Malacca, shall prepare a detailed Statement, exhibiting the sums collected under the several heads of Cesses and Taxes during the preceding year, and showing also the disbursements which have been made during the same period on account of the various purposes enumerated in this Act.

XV. And it is hereby enacted, that the Statement prepared in the manner aforesaid, and duly attested by such Officer as last mentioned, shall be published at the Station to which it relates in a Newspaper; and if such Station have no Newspaper, the publication shall be made in some other Newspaper of extensive circulation published within the incorporated Settlement of Prince of Wales' Island, Singapore, and Malacca. And the said Statement shall also be open to general inspection at the Office of such Officer, for a period of one month from the date of its publication.

XVI. And it is hereby enacted, that the Officers appointed to collect the Assessment and Taxes leviable under this Act shall, in the conduct of their duties, be subject to the general superintendence and control of the Chief Civil Authority residing in the aforesaid incorporated Settlement.

XVII. And it is hereby enacted, that the Officer Superintending the Police at each of the Stations of Prince of Wales' Island, Singapore, and Malacca, between the 1st and 15th day of January in each year, shall require the owners of all Palanquin Carriages, Carts, and other vehicles, kept in such Station for the purpose of being let to hire for the conveyance of passengers or goods, to enter such vehicles in a Register to be kept for that purpose at the Police Office. And every owner of a Palanquin Carriage, Cart, or other vehicle, subject to such Registration, who shall omit to enter such vehicle at the Police Office, in the manner required by this Act, shall, on conviction before a Justice of the Peace, forfeit for each offence a sum not exceeding Twenty Spanish Dollars, with costs of suit, which forfeiture shall on non-payment be recoverable by Warrant of distress and sale under the hand of the convicting Justice of the Peace; and the overplus of the Goods and Chattels sold, after deducting the expenses, shall be paid to such owner.

XVIII. And it is hereby enacted, that the Assessment and Taxes leviable under this Act shall be paid half yearly in advance, and that the said Assessment shall be charged on the Dwelling Houses and other buildings respectively assessed, and on the respective owners and occupiers thereof, at the time of such Assessment, and that the said Taxes shall be charged on the owners of the respective Cattle, Carriages, Carts, or other vehicles subject to such Taxes.

XIX. And it is hereby enacted, that every owner of a registered vehicle who shall neglect to place in a conspicuous part of such vehicle a numbered board which shall be furnished to him by the Registering Officer, shall on conviction before a Magistrate forfeit the sum of Five Spanish Dollars for each offence, with costs of suit.

XX. And it is hereby enacted, that when any change in the occupation of any Dwelling House, or other building assessed, shall take place within the year after such Assessment as aforesaid, then such Assessment may be levied in manner aforesaid as well upon the Dwelling House or other building respectively charged, as upon the Goods and Chattels of the occupiers thereof according to their respective periods of occupation without any new Assessment.

XXI. And it is hereby enacted, that the owner of any Dwelling House, or other building assessed, which

is not let to any tenant, shall be deemed the occupier thereof, provided always that if such owner can shew that the premises have not been inhabited or used for a period of three months or upwards in any year, he shall be entitled to a proportionate abatement of Assessment levied on the same for the said year.

XXII. And it is hereby enacted, that no Assessment or Charge made under the authority of this Act shall be impeached or affected by reason of any mistake in the name of any person liable to Assessment or Tax, or of any thing chargeable with Assessment or Tax, or any mistake in the amount of the Assessment or Tax charged, provided the directions of this Act be in substance and effect complied with.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

Act No. XII. of 1839.

I. It is hereby enacted, that from the first day of January in the Year of Our Lord One Thousand Eight Hundred and Forty, Regulation I of 1827, passed by the Governor in Council of Prince of Wales' Island, Singapore, and Malacca, shall be repealed.

II. X. And it is hereby enacted, that if payment of the aforesaid Assessment and Taxes be not duly made, the Officers appointed to collect the same shall certify in writing such non payment to any Justice of the Peace, who, if he shall be satisfied that due diligence has been used to obtain payment, and that the same has been improperly withheld, shall issue his warrant for distraining the amount on any Goods and Chattels, to whomsoever belonging, in or upon the Dwelling Houses, and other buildings respectively charged, or for distraining any person charged by his Goods and Chattels, or both, and for selling every such distress; and the overplus, after deducting the expences, shall be paid to the owner of the Goods and Chattels distrained.

XI. Provided always, that it shall be competent to the Officers appointed to collect the aforesaid Assessment and Taxes, in lieu of proceeding against defaulters by warrant of distress, to sue for the recovery of arrears through any Court of Justice to which defaulters may be amenable.

XII. Provided also, that if any party, from whom payment of the Assessment or Taxes leviable under this Act may have been demanded, objects to the demand, either on the ground of surcharge or by reason of claim to the exemption or abatement under any of the foregoing provisions, it shall be competent to such party, after payment of the amount demanded, to appeal against such demand to the Justices of the Peace sitting in General Quarter Sessions at the Station where such party resides, and the said Justices shall have power to hear and decide on such appeal and to pass such order thereon as may seem just.

XVI. And it is hereby enacted, that the Officers appointed to collect the Assessment and Taxes leviable under this Act, in the conduct of their duties, be subject to the general superintendence and control of the Chief Civil Authority residing in the aforesaid incorporated Settlement.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.
